Commitment to respect the principles of Social Responsibility

We confirm that we have read Mont-Ele's "Social Responsibility Policy".

We confirm that we are aware of all the relevant laws of the country in which our company produces regarding work and worker health and safety.

We declare ourselves willing to follow Mont-Ele's "Social Responsibility Policy", to make it known to our suppliers, subcontractors and subsuppliers who operate on our behalf, committing ourselves to ensure that the latter also comply with the provisions laid down.

We also undertake to promptly report to Mont-Ele any episode of violation of the requirements indicated by the SA8000:2014® standard, by our suppliers and / or subcontractors.

We confirm that Mont-Ele staff, or an independent external person commissioned by Mont-Ele and authorized by both parties, has the right to carry out inspections at our operational offices in relation to Mont-Ele's principles on social responsibility.

We also declare that we comply with all applicable national legislation, ILO and UN conventions and recommendations on Social Responsibility.
